

台灣食品暨製藥機械工業同業公會簡介

一、宗旨：

本同業公會係依循工業團體法第一條在於「協調同業(食品機械、製藥機械業及其零組件等之工廠)關係，增進共同利益並謀劃工業之改良推廣，促進經濟發展」。

二、沿革與經營：

- A. 食品機械是食品工業發展的基礎，製藥機械是生技/製藥產業發展的基礎，其分別與食品、生技藥品加工技術之關連性互為因果，即皆含原料處理、加工、檢測、成品包裝、保鮮等製程之必備機具；我同業製造業者現階段就提昇農業現代化、餐飲服務品質、小本投資創業、食品、生技/製藥業者之海外投資不僅提供了設備，並肩負了技術挹注之角色。
- B. 本公會自1990年春由同業林振發先生等發起，陳勝地先生執行推動創立，先於1993年7月15日依法成立社團「食品機械發展促進會」；旋即設址於台北世界貿易中心外銷交易市場3C15室(今已遷至4A-04室)，並承創會初衷，旋向政府申辦籌組公會。1995年承經濟部會同內政部發佈會銜令，其團體業別為「食品暨製藥機械工業」，業務範圍係「從事製造或裝配食品機械、製藥機械及其零組件之工業」，成就於1995年4月7日召開「改制成立大會」，完成組織程序正式立案，為我台灣唯一之「食品機械」、「製藥機械」製造業行業公會。
- C. 公會依法成立後，廣續維持團結和諧，互助合作之同業友誼基礎，逐漸凝聚政府與業者多方資源，俾協助會員廠商因應經營環境，及協助會員廠提升設備及零組件之競爭力及拓展國內外市場，溯自1998年起與外貿協會每年六月合辦專業展覽會；即以「整合產業、服務產業、發展產業」為工作方針，並於台北世界貿易中心外銷市場設立展示中心和辦公室。
- D. 本公會在歷任理事長帶領，理監事奉獻，會員廠經營者之支持，廣續為會員提供服務，具體上以舉辦聯誼活動及其他協助會員經營上之各項活動，並配合經濟部國際貿易局之出口拓銷方案，組團赴海外主要市場進行推廣活動，俾凝聚會員之團結，自然形塑同業之策略聯盟，增進商機暨促進經營品級之提昇，並落實政府之輔導政策。
- E. 本公會為因應電子商務之大勢，始於2000年由經濟部中小企業處輔導建置了「產業資料庫」，並日常不斷更新；為會員提供資訊橋樑服務，並便於相關產業界之查詢，採購我同業之機械設備；2013年及2015年本公會官方網站再行改版問世，協助會員廠進行國際網路行銷。
- F. 因應島內製造業技術人力之不足及台灣已逐步形成高階製造之環境，惟有運用數位科技在製造上方克有解，公會也援引政府資源落實於協助會員廠。
- G. 隨著產業發展，我同業逐漸走向海外進行分工，本會除進行搜集資訊外，並運用網際網路協助會員於海內外之經營拓銷上，乃是因應新的產業環境服務會員同業。
- H. 本會已於2015年更名為「台灣食品暨製藥機械工業同業公會」，並承主管機關以台內團字第1040081713號證，准予立案。

Brief Introduction of Taiwan Food & Pharmaceutical Machinery Manufacturers' Association

I. Intent:

The Association, based on Article 1 of Industrial Group Code, attempts to "coordinate the fellow trader (food machinery industry, pharmacy machinery industry and its parts/components manufacturer) connection, to improve common interest and plan for innovation and promotion of the industry, to promote economic development".

II. History and Operation:

A. Food machinery is the foundation of food industry development, Bio/Pharmacy machinery is the foundation of pharmacy industry development, which respectively are in cause-effect connection with food, pharmacy processing technology; i.e., all including the necessary tools for raw material treatment, processing, final product packaging process, etc. Our industry is not only playing the role of technological think-tank, as well as providing equipments concerning modernization of agriculture, food & beverage quality, small-capital investment for starting enterprise, and food and pharmaceuticals overseas investment.

B. The Association, since the initiation of a fellow trader Mr. Lin Chen-Fa in 1990, and Mr. Chen Sheng-Ti in charge of promotion, first established a social group of "Chinese Food machinery Development and Promotion Club" on July 15, 1993. Soon, it was removed to Room 3C18 outside of Taipei World Trade Center Export Trade Market, and bearing the initial intent of its foundation, continuously apply to the government to organize an association. Through agreement and recommendation of the Ministry of Economic Affairs, the industry attribute should be "food and pharmacy machinery industry". At last, on April 7, 1995, the "general assembly of re-organization formulation" was convened, to elect its President Mr. Lai Ming-Tao for the first tenure, with board of directors and supervisors, and recruit such routine association working personnel as Mr. Chen Sheng-Ti as the chief of general staffs, etc., to complete organization procedure for formal registration, as the only legal manufactures' group in "food machinery" and pharmacy machinery" of Taiwan.

C. After the Association was established in accordance with laws, based on the existing unification and harmony, friendship basis of the fellow traders through mutual cooperation, the diversified resources of the government and manufactures have been concentrated, to assist its

member manufactures to comply with operation environment, and assist its member manufacturers to upgrade product competitiveness and develop domestic/overseas market; Since 1998, it has co-organized business exhibitions with the TAITRA every year. that is, to base on "integration of industry, service of industry and development of industry" as the work guidelines, and set up exhibition center in the export market of Taipei World Trade Center.

D. Under the leadership of the former presidents of the Association, the dedication of the board of directors and supervisors, and the support from members, the Association is committed to providing services to its members. More specifically, the Association will organize networking events and other activities to assist members in business operations and organize overseas promotional activities in conjunction with the export promotion program offered by the Bureau of International Trade. We hope to create a strategic alliance among our members, promote business opportunities, enhance the quality of our business, and implement the guidance and policies given by the government.

E. For the general trend of e-commerce, our organization established an "industry database from 2000 year" guided from the Small and Medium Enterprise Administration, MOEA, to provide information services for the members, and in favor of the inquiry in the related industry and purchase the machines and equipments from our colleagues.

F. In response to the shortage of technical personnel in the manufacturing industry in Taiwan and the gradual formation of a high-end manufacturing environment, the only solution is to use smart technology in manufacturing. The Association also uses government resources to help its registered members.

G. Along with the industrial development, our colleagues working abroad gradually and still on the same project. Besides data collecting, our organization also helps the members via internet to manage business abroad. And this is the new trend.

H. The organization was renamed as the "Taiwan Food & Pharmaceutical Machinery Manufacturers' Association (TFPMA)" in 2015 and was authorized for registration by the competent authorities with the certificate Tai Nei Tuan Zi No. 1040081713 issued.
