INTERMOLD KOREA 2025

**THE 27th KOREA INT'L DIE-MOLD &
RELATED INDUSTRY EXHIBITION**

March 11 ▸ 14, 2025 KINTEX

www.intermoldkorea.com

Organizer

Korea Die & Mold Industry Cooperative

Sponsors

Ministry of Trade, Industry and Energy, Ministry of SMEs and Startups, Korea Federation of SMEs,
Korea SMEs and Startups Agency, Korea Trade-Investment Promotion Agency, KITECH

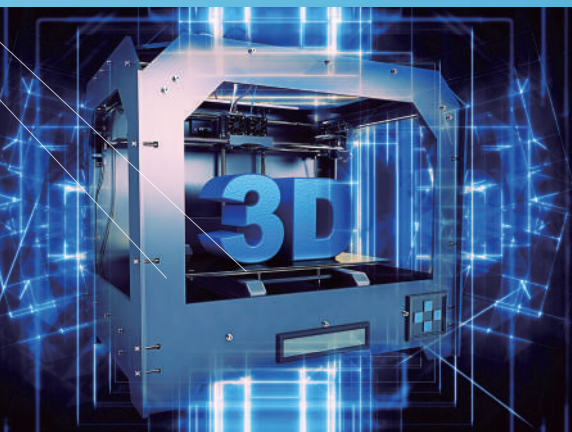

March 11 · 14, 2025 KINTEX
www.intermoldkorea.com

Presenting a new paradigm for the die & mold and manufacturing industries*
INTERMOLD KOREA 2025

- » **Gathering** of the die & mold industry and relevant industries which are pivotal to the manufacturing & fundamental process industry (Ppuri industry)
- » **Change** and **innovation** of the die & mold industry for sophisticated manufacturing Die & mold industry innovation led by smart factory, robotics, 3D printing and AI convergence and integration
- » Support **simultaneous growth** of upstream & downstream industries related to die & mold

The die & mold industry is rapidly advancing and transitioning from a conventional landscape. INTERMOLD KOREA is a platform to propose a wide range of solutions to enable seismic shift of the die & mold and manufacturing industries.

“
INTERMOLD KOREA 2025
Presenting solution for transition to a sophisticated manufacturing industry
”

3D Printing Special Exhibition

Core technology enabling manufacturing innovation
Special booth within the exhibition hall of INTERMOLD KOREA 2025
Exhibition items from diverse industries
(Automobile, aerospace & defense, healthcare, and medical treatment)

Key Exhibits

Die & Mold and Relevant Equipment

Die & Mold-Parts-Materials, Tools, Machine Tools and facilities, Metal Processing & Cutting Machine, Automatic Machines, Die & Mold Precision Measuring instruments, Injection Molding Machine, Die & Mold CAD / CAM / CAE systems, Die & Mold Welding Machine, Repair and maintenance equipment, Mechanical Parts & Consumables, Molded Product and All product items related to the Die & Mold industry

3D Printing Special Exhibition

3D printers, 3D printers Materials, Hardware & Components, Software, Educational Institutes etc.

Fundamental Process Technology

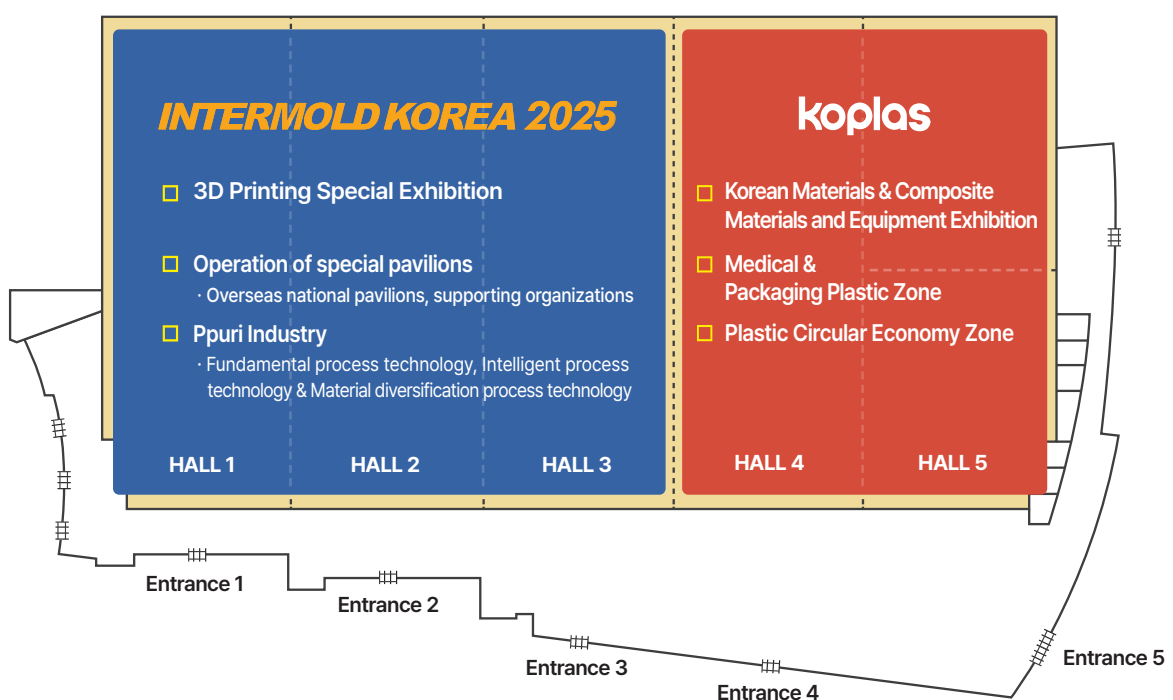

- Casting & Forging** Casting-related Equipment & Products, Die Casting-related Equipment & Products, Forging-related Equipment & Products, Measuring & Instruments and Materials
- Surface Processing & Heat Treatment** Measurement / Testing / Analysis, Pre-processing, Thermal Spray, Environment Engineering & Supply System, Nano & Micro Technology and Industrial Plasma & Laser-based Surface Processing, Surface treatment, Coating material, Service
- Welding** Smart Welding Machine, Materials, Inspection & Instruments, Welding Automation and Parts & Peripheral Devices

Intelligent Process Technology

Robotics, Sensors, Industrial Intelligent Software & Engineering Design

Exhibition Hall

Exhibition Overview

Name of Exhibition	INTERMOLD KOREA 2025 The 27th Korea Int'l Die-Mold & Related Industry Exhibition	
Theme	The future of Die & Mold industry is transformed into a high value-added high-tech industry through manufacturing innovation	
Goals	<ul style="list-style-type: none"> • Promote the development of dies, molds and related industry • Facilitate the exchange of cutting-edge technology and know-how • Create new demand and business opportunity 	
Period	March 11(Tue) ~ 14(Fri), 2025 4 days	
	<ul style="list-style-type: none"> • Opening hours 10:00 ~ 17:00 	<ul style="list-style-type: none"> • Carrying-in March 8 ~ 10, 2025(3 days) • Carrying-out March 15, 2025(1 day)
Venue	KINTEX Exhibition Center 1 (1~3 hall)	
Scale	<ul style="list-style-type: none"> • Total space : 27,054m² • 450 companies from 25 countries 	
Organizer	Korea Die & Mold Industry Cooperative (KODMiC)	
Sponsors	Ministry of Trade, Industry and Energy, Ministry of SMEs and Startups, Korea Federation of SMEs, Korea SMEs and Startups Agency, KOTRA(Korea Trade-Investment Promotion Agency), KITECH(Korea Institute of Industrial Technology)	
Concurrent Events	<ul style="list-style-type: none"> • Inviting foreign & domestic buyers • International Die & Mold technology conference and academic seminars • FADMA(Federation of Asian Die & Mould Associations) AGM • 3D Printing Conference and General Meeting • Seminars on Die & Mold and related technologies 	
Co-located With	koplas (Korea International Plastics+Rubber Show) <ul style="list-style-type: none"> • KINTEX Exhibition Center 1 (5 halls) • 650 exhibitors / 2,650 booths 	

Application

Application Applications are accepted online (www.intermoldkorea.com)

Deadline Application should be submitted **by September 30, 2024 (Early bird by June 30)** via online registration on a first come, reserved basis. (Until the exhibition area is exhausted.)

Unit of Space 9m²(3m×3m) for single booth, minimum requested area is at least 2 booths.

Participation Fees	Unit : per booth			
	Classification	Raw-space	Shell-scheme	Online Exhibition
	Cost	US \$2,800	US \$3,600	US \$500

* 1 The shell-scheme booth includes a booth installation fee of US\$ 800.

2 Special discount : Early bird 10% before June 30, 2024

How to pay

- **Application fee** : Please pay 30% of the participation fee upon application
- **Payment of Balance** : You must pay the balance of the participation fee, the rental fee for utility services and so on by January 31, 2025.
- **Banking information** - **Account number** : Industrial Bank of Korea 221-000047-01-017
- **Receiver** : Korea Die & Mold Industry Cooperative
- **Swift code** : IBKOKRSE

* If paying via online transfer, please submit a copy of the remittance.

Booth Allocation

Booth allocations will be divided by item category and done arbitrarily by the organizer based on the order of application fee payments taking into account exhibition space and its characteristics.

Online Application Procedure

Application & Inquiry

If you need further information, please contact **INTERMOLD KOREA Secretariat**

Booth Equipment & Utilities

Shell-scheme Type

All booths will be installed and provide for exhibitors through official constructor assigned by organizer.

* The booth installation fee for each booth(9m²) is US\$ 800.

Shell-scheme Type

Raw-space Type

Raw-space booths should be installed by exhibitor through registered constructor at KINTEX and exhibitor has a responsibility possible occurring relevant charge.

Utility Services

Unit : US\$

Services	Unit	Details	Price
Electricity	Per kW	Single-phase 220V, 60Hz	100
		Three-phase 220V·380V, 60Hz	
Compressed-air	Per line	ø9mm, 8kg/cm ²	250
		ø15mm, 8kg/cm ²	350
		ø20mm, 8kg/cm ²	450
Water supply/drainage	Per line	ø15mm, ø25mm, 4kg/cm ²	200
Telephone	Per line	International	200
Internet	Per port	-	250
Bar code system	Per EA	One-way terminal	300

* 1 For use of the utility services, exhibitor should apply online before December 31, 2024.

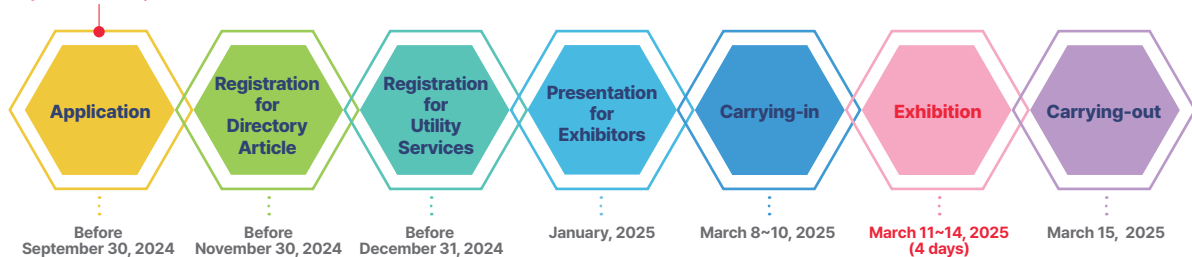

2 Official supplier assigned by organizer will manage all utility services and the price is including installation and usage fee.

Carrying-in/out Exhibits

- Exhibitor should install reinforcement material when they carrying-in a heavy weight exhibits or machines over 5 tons/m².
- Every exhibitor is responsible for additional device usage fee to manage heavy weight exhibits or machines and for damage insurance according to its necessary.
- Carrying-in/out of foreign exhibits should be loaded/unloaded through by transporter who is designated by each exhibitor and at their own expense.
- In any case exhibitor or its related agent destroys the floor, leaks oil or damages parts of an exhibition area, the restoration cost should be covered by each exhibitor or its related agent.

» INTERMOLD KOREA 2025 Schedule

Early bird June 30, 2024

For further detail information, please check the exhibition management guideline at official website. (www.intermoldkorea.com)
